

## UUPMI 2019 – Legislative bills to watch

### HB 182 :: Solitary - Support

Provides that: a committed person may not be placed in isolated confinement for more than 10 consecutive days; may not be placed in isolated confinement for more than 10 days in any 180-day period; while out of cell, committed persons may have access to activities; that the DoC shall post quarterly reports.

### HB 2039 :: Penalty Reduction - Support

Provides that a person serving a sentence for any criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or a similar local ordinance for which the statutory penalty has been subsequently reduced or altered may petition the trial court that entered the judgment of conviction to request resentencing or dismissal in accordance with the statutory penalty in effect at the time of the filing of the petition.

### HB 2288 & HB 2045 :: Healthcare - Support

Both bills eliminate the \$5 co-pay for healthcare.

### HB 2444 :: Parental Detention - Support

In order to prevent unnecessary harm to children caused by separation, this bill affords basic considerations to these children when decisions are made that affect them upon sentencing of their parent or guardian.

### HB3214 :: Parole - Support

A person serving a term of imprisonment in a DOC facility is eligible for parole and a parole hearing if they have served (1) At least 20 years 2-25% o the sentence (2) A minimum sentence for offense. Person serving natural life shall be eligable after 20 years

### HB 3332 :: Housing Income Tax Credit - Support

Provides a tax credit to landlords that rent to people with conviction records, providing a 15% tax credit for amount of annual rent received from that "qualified renter"
